

Name _____

Date _____

1. Organize your pants or skirts in your closet. How many do you have?
2. Sort your books in alphabetical order.
3. Do squats from one end of the house to the other for five minutes.
4. While standing, touch your toes for five minutes. How many could you do?
5. Count the number of letters in your name. Does your name have more letters than the other people in your family?
6. Count the number of cups in the kitchen. Now, count the plates. What is the total?
7. Create a message using letters cut out of a magazine or newspaper.
8. Write about how you would like to celebrate your next birthday.
9. Make yourself a fun hairstyle. If your hair is too short, do someone in the family.
10. Create a play with your dolls about your family.
