

Name _____

Thank You, Aunt Harriet

My Aunt Harriet lives very far away. Every year she sends me a nice birthday present. This year as my birthday drew near, I eagerly checked the mail each day. "It's here! It's here!" I excitedly called to my mom. I quickly opened the package and found a beautiful dress just my size. After dinner, I put on my new dress, sat at my desk, and happily wrote a little thank you letter to my dear Aunt Harriet.
