

Name _____

Wild Goose Chase

Connie likes to visit her grandmother's old farmhouse but will seldom venture out into the backyard. That is where Grandma keeps her mean, old, pet goose named Topsy. Whenever Topsy sees Connie, she flaps her wings wildly, honks loudly, and waddles full speed toward her. Connie turns to run, and the chase begins. Topsy is pretty fast, but she has never caught Connie. Connie hopes to keep it that way.
