

WHAT IS THE AUTHOR'S PURPOSE?

Purses

A purse is a tool that is used to carry personal items and commonly used items with you as you go from place to place. Examples of such items include a wallet, keys, important documents, cosmetics, tissue paper, etc.

There are many different kinds of purses made in a variety of colors, sizes, shapes, and materials like leather, fabric and plastic found in stores.

Also, the variety of bags depends largely on what current fashion trends are popular in the world.

The world of purses is so large that often finding just the right purse to buy is a difficult task.
