The sun was shining, and it was windy. Mike liked this kind of day since he will go outside with his kite. Mike begins to run with his kite, lets the string out, and smiles as his kite goes higher in the sky. He wished he was a kite floating in the wind. His big sister called him in for dinner. He filled up with a sandwich, chips, and a dish of ice cream. After he finished everything, he licked his lips and wiped his mouth. It was a perfect day!
