

INFERENCES SERIES: PLACE

The woman helping me gives me the stamps and envelope that I have asked for. I put the letter in the envelope and put the stamps on it. I write the address where I want the letter to go. I pay her, and she deposits the letter in the delivery mailbox.

Where are they?

INFERENCES SERIES: PLACE

We go there when we want to celebrate an event. Waiters walk around different tables bringing full plates of food and empty ones. We look at the menu to choose the food we want while they serve us drinks. When we finish, we ask for the bill, pay, and leave. Before we leave, they give us some mints for the road.

What place is it?
