

INFERENCES SERIES: PLACE

16. This morning I could not get up. My head hurts, I feel sick to my stomach, and the room is spinning. I don't like feeling this bad. My mother has told me to rest and not to move. She is going to bring me some medicine to see if I feel better. Where are they?

- a. in bed
- b. a supermarket
- c. a museum
- d. a restaurant

Where are they?

17. This place lets us see many different species of animals without having to go to other countries. The caretakers clean their cages and feed them. They take care of them and sometimes play with them. Some animals are in large enclosures, such as elephants. Others have smaller enclosures, such as snakes. What place is it?

- a. a supermarket
- b. a museum
- c. a restaurant
- d. a zoo

What place is it?

18. The lines on the ground define the space where the car is to be parked. It is important to stay inside the lines. If each car occupies its own space, there is room for everyone. In some of them, you have to pay a small amount of money to leave your vehicle. What place is it?

- a. in bed
- b. a library
- c. a parking lot
- d. a bridge
