Where is the library? What is next to the fire station?

Discuss:

1. In pairs, students ask and answer questions about the map, as in the example. They change roles. They use keywords.

2. In your notebook, write a dialogue with five questions and five answers.

Examples: Student 1 - Where is the library?

Student 2 - It is in front of the museum.

Student 2 - What's next to the fire station?

Student 1 - There is a house.

KEY WORDS: In front of, behind, next to, to the right of, to the left of, near, far from.
