### MAP OF SPAIN

A) Label and color the missing communities on the map.

1. To the east of Valencia are the Balearic Islands. Label them and color them brown.
2. The Douro River runs through Castilla and Leon to Portugal. Label and color Castilla and Leon yellow.
3. Andalusia has a coastline to the Atlantic Ocean and the Mediterranean Sea. Color the Andalusian Atlantic coast green and the Andalusian Mediterranean coast your favorite color.

B) Draw according to the legend.

4. Draw a road from the south of Galicia to the east of Cantabria along the coast.
5. The Douro River and the Tagus River begin in the Iberian System, some mountains that go from the Northeast of Castilla and Leon to Valencia. Draw them.

C) Answer the questions.

6. In which direction are you going from Murcia to Galicia? (North, East, South, West, Northwest, Northeast, Southwest, Southeast) I'm going to the \_\_\_\_\_.

7. How many communities are on the border with Portugal? There are \_\_\_\_\_ communities. They are \_\_\_\_\_.

8. Draw a route from Andalusia to Catalonia. What communities do you pass through? I'm going through \_\_\_\_\_.

9. Write your route from Andalusia to Catalonia. Follow the example as a model.

"I am going from Castilla La Mancha to the Basque Country. I pass through Castilla and Leon and Madrid. I start in the South of Castilla La Mancha. I am going north to Madrid. I turn northwest and cross Castilla and Leon until I reach the Basque Country." I am going from Andalusia to Catalonia. I'm going through
