## DISCOUNT DAY

This is the day of incredible offers at the supermarket in my neighborhood. They have an unbelievable semiannual clearance sale.

At the entrance, a huge sign shows the extraordinary sales. They also send out a flyer to preview the sales.

Upon arrival, at first I froze when I saw the crowd gathered waiting for the gate to open.

Then, I wanted to dash inside but a lady in her eagerness to do the same, elbowed me. The atmosphere felt heavy, the crowd of people and overstocked merchandise everywhere was making me feel bad.

I think it would be better to shop midweek. Right now, I'm going to sit for a little while in the woods, breathe fresh air and relax in a country setting.
