

DISCOUNT DAY

This is the day of the incredible offers at the supermarket in my neighborhood. They have an unbelievable semiannual clearance sale.

At the entrance, a huge sign shows the extraordinary sales. They also send out a flyer to preview the sales.

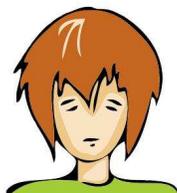

Upon arrival, I stood still when I saw the crowd gathered waiting for the gate to open.

I wanted to go inside but a lady in her eagerness to do so, elbowed me. The atmosphere feels heavy; the number of people and the overstocked merchandise make me feel poorly.

I think it would be smarter to shop midweek. Now, I'm going to sit for a little while in the park to look at the beautiful scenery in a relaxing country setting.
