# SUFFIX

A suffix is a group of letters added to the end of a word making a new word.

A suffix is a letter or word that is added after a base word, to modify its meaning, sometimes one or more letters are removed.

For example: The base word: <u>beauty</u> is modified with the suffix <u>ful</u>, and now it is <u>beautiful</u>.

Choose the correct suffix and write the new word on the line.

1) Base word: pay + Suffix: ful, like, ly, ment _____payment_____

2) Base word: world + Suffix: ful, like, ly, ment _____

3) Base word: meaning + Suffix: ful, like, ly, ment _____

4) Base word: life + Suffix: ful, like, ly, ment _____

5) Base word: pack + Suffix: able, ity, ness, age_____

6) Base word: human + Suffix: able, ity, ness, age_____

7) Base word: dark + Suffix: able, ity, ness, age_____

8) Base word: prefer + Suffix: able, ity, ness, age_____

9) Base word: appear + Suffix: ish, less, er, ance _____

10) Base word: teach + Suffix: ish, less, er, ence _____

11) Base word: green + Suffix: ish, less, er, ence _____

12) Base word: age + Suffix: ish, less, er, ence _____

ANSWERS

SUFFIX

A suffix is a group of letters added to the end of a word making a new word.

A suffix is a letter or word that is added after a base word, to modify its meaning, sometimes one or more letters are removed.

For example: The base word: <u>beauty</u> is modified with the suffix <u>ful</u>, and now it is <u>beautiful</u>.

Choose the correct suffix and write the new word on the line.

1) Base word: pay + Suffix: ful, like, ly, ment _____payment_____
