

I scream, you
scream, we
all scream
for ice
cream.

A skunk sat on a
stump and thunk
the stump stunk,
but the stump
thunk the skunk
stunk.

Sad Sally saw
six sweet swans
saunter slowly
across the sky
to settle in the
sunny south.

Silly Sally swiftly shooed
seven, silly sheep. The
seven silly sheep Silly
Sally shooed shilly-
shalled south. These
sheep shouldn't sleep in
a shack. Sheep should
sleep in a shed.
