

The image is a vibrant, hand-drawn style illustration for Mother's Day. It features the words "Happy Mother's Day" in a whimsical, layered font. The letters are filled with various patterns: the 'H' has red flowers, the 'a' has blue polka dots, the 'p' has red roses, the 'y' has green stripes, the 'M' has blue and red floral patterns, the 'o' has a large red rose, the 't' has green leaves, the 'h' has red and white plaid, and the 'e' has green and red floral borders. Below the text, there's a small brown bird standing next to a nest containing three yellow chicks with black outlines. A single blue bird is perched above the 'H'. The background is plain white.
