

Name \_\_\_\_\_

### Watering Diana

On hot summer days Diana knows just how to cool off. She puts on her swimsuit and goes out in the backyard. Her father turns on the sprinkler. Diana squeals with delight as she spins around beneath the spray. She chases the water, and then the water chases her. Both Diana and the grass get a good watering. Father wonders which one will grow faster.

1. On hot summer days Diana knows just how to \_\_\_\_\_.  
(stay dry, have fun, cool off)
2. She puts on her \_\_\_\_\_ and goes out in the backyard.  
(pajamas, swimsuit, raincoat)
