## HELP THE BIRD!

*A bird wants to search for food for its chicks. Help him find food and go back to his nest. Draw the path in blue.*

1. *Go to the northern forest. Go through it.*
2. *Continue west to the waterfall.*
3. *Follow south on the east side of the widest river to the mountains. Watch out for the eagle!*
4. *Cross the river and reach the south of the forest.*
5. *You have found the worm! Color it orange.*
6. *It is time to return to the nest. Cross the river again to the east.*
7. *It borders the mountains to the south. Color the mountains brown.*
8. *Go north between the mountains and the farmland. Color the field yellow.*
9. *Turn east until you reach the lake.*
10. *Continue north until you reach the big tree.*

***Congratulations, you have found the nest! Welcome home!***
