# Homophones

two

Homophones are words that sound the same, but have different spellings and different meanings.

to  
too

**Two:** equivalent to one plus one. He has two brothers.

**To:** a preposition before a noun or an infinitive before a verb. He went to the beach to swim.

**Too:** a synonym for also or when something is in excess. The rock is too hard. He found a seat too.

Choose the correct homophone and write it on the line.  
(two, too, or to)
