

Name _____

Date _____

weather

Homophones

whether

Homophones are words that sound the same, but have different spellings and different meanings.

Weather: the conditions in the air at a particular time, such as wind, rain, or temperature. The weather outside is cold and rainy.

Whether: used to refer to one or more possibilities. Whether she wins or loses does not matter to me.

Choose the correct homophone and write it on the line.
(weather - whether)
