

Name _____

Paint Me a Picture

Paola is only three years old, but she is already an artist. She paints beautiful pictures with her pudgy little fingers. Sometimes the picture is a bright yellow sun. Sometimes it's a flower with many petal colors. Mommy is very proud of Paola.

She says, "Paint me a picture, Paola."
Mommy puts the beautiful picture on the refrigerator. Paola smiles and runs to her room to paint another one.

1. Who is the artist in the story?

2. How old is Paola?

3. Name two things Paola sometimes paints in her pictures.

4. Who is very proud of Paola?

5. Where does Mommy put Paola's beautiful pictures?
