### Rainy Day Game

Trevor was grumpy because it was raining, and he couldn't go outside to play. There was nothing good to watch on television, and he didn't feel like reading a book. So, he just slumped in the living room chair. Trevor's big brother Roger walked in and saw him moping.

"Hey, squirt, you look pretty bored. Want to play checkers?" Roger asked.

Trevor's face lit up; he jumped from the chair and ran to get the game. At last, he had found a way to make this rainy day more fun.
