

## Sayings of my Grandmother

A great collection of sayings, and proverbs.

## Sayings

The sayings are popular expressions that used so much become part of the cultural tradition of a people and are transmitted from generation to generation.

Each saying has a particular origin and its own history.

The words expressed in a saying do not match their literal meaning.

Sayings may involve advice or a moral.

Some activities:

- Decipher the meaning.
- What advice or moral delivery?
- Write your own saying.
- Write a real-life anecdote that identifies with a saying.
- What sayings does your family have?
