

I thought a thought. But
the thought I thought
wasn't the thought I
thought I thought. If the
thought I thought I
thought had been the
thought I thought, I
wouldn't have thought
the thought. I thought.

She sells seashells on
the seashore. The
shells she sells are
seashells, I'm sure.
And if she sells
seashells on the
seashore, then I'm
sure she sells
seashore shells.
